NEW

The Finishing Valve

A **mini-ball™ valve**, with an extension and deep bell plate, gives a quality finished look. It's ideal for toilets, pedestal sinks and bidets.

Shown here: Angle #211-33LE-31

NO SOLDERING!

- For Copper, PEX, PEX-AL-PEX and Iron
- Installs easily, even on wet pipe
- Deep bell plate conceals pipe and joint at wall to complete the finished look
- See back of brochure for a listing of popular part numbers
- Available in supply kits with braided connectors
