A Few of the Many Dahl Retrofit Applications

STOPS

- Retrofit onto old valves instead of replacing them
- Retrofit onto adapters to install a shut-off valve

DUAL OUTLETS

- The quick way to hook up to dishwashers, icemakers, water filters and instant hots

TEES

- Install branch lines off of supply stops and adapters in minutes

ADAPTERS

- Create custom length supply lines out of extra pieces of PEX and PEX-AL-PEX
- Outlets available in 3/8, 1/2 & 5/8 OD Female Compression and Female Swivel Hose

ELBOWS

- Retrofit this angle adapter onto the existing straight stop instead of installing a new angle stop!

TEE & VALVE KITS

- Install branch lines, with separate shut-off, from existing supply stops and adapters
- Specialty kits available for bidet attachments and Toto Washlets

HOSE-MATE™

- Quick fix for old garden hose bibbs, washing machine valves and old drain valves on hot water tanks
- Available in straight or angle pattern
- Available with integral AA ASSE 1010 Water Hammer Arrester
- High flow Large Bore model available in straight pattern

WATER HAMMER ARRESTER STOPS

- With integral AA ASSE 1010 Water Hammer Arrester
- Straight or angle pattern
- Female compression for supply stop applications
- Female hose for washing machine applications
