5/8 OD Fem. Comp x
5/8 OD Fem. Comp x 1/2 **QUICK-GRIP™**

- Assemble your own Dual Shut-Off Valves...
...using ANY 5/8 OD Comp inlet supply stop.
- Fits 1/2" Copper, PEX or CPVC stub-outs!
- Any combination of straight or angle stops you want... with any combination of outlets you want!
- How many dual shut-off stops would you need to buy to equal the capability of just 2 of these tees?
- Forget about trying to order something that's either not available or not in stock because now you can make it yourself - without leaving the job!

Mechanical union joint swivels to position with no need for Teflon tape or pipe dope.
