To Whom It May Concern:

Re: Projects requiring Made in USA products to meet ARRA

The United States and Canadian Governments signed a trade agreement titled, "**The Government of Canada and the Government of the United States of America on Government Procurement**", that became effective February 16, 2010.

In that agreement, **Article 5 United States Administrative Steps** states, "The United States shall, by February 16, 2010, take the necessary administrative steps to provide that section 1605(a) of the *American Reinvestment and Recovery Act of 2009* shall not be applied to Canadian iron, steel, or manufactured goods in procurement covered by Annex 2 of the 1994 GPA."

Dahl Brothers Canada Limited mini-ball™ valves use 100% Made in USA Brass bar stock and Seal materials, with all fabrication and assembly processes taking place exclusively in Ontario, Canada. All Dahl products meet IAPMO, CSA, NSF and ASTM standards and they are third party listed by IAPMO and CSA.
