Each

TEE

PX3-PX3-01

1/2 Crimpex x 1/2 Crimpex x 1/2 Dual (C or M), Tee

- This was quoted within an hour for an RV manufacturer
- And it can be built & shipped from stock today, even though it's a completely new part!

\$12.87

TRANSITIONAL STOP

121-23-PX2

1/2 C Ftg. (Male Solder) x 3/8 Crimpex, Straight, Brass, **mini-ball™** Valve

- We just searched "1/2 C Ftg x 3/8 PEX" on the Internet
- Found a company named "Dahl" that appears to have it...

\$16.84

ELBOW

210-30-41

1/4 OD Comp x 3/8 OD Fem Comp, Angle, Plated, Elbow

- Looks like somebody has a straight supply stop with a 3/8 OD Comp outlet, but they wish it was an angle supply stop with a 1/4 OD outlet... So they called Dahl.

\$14.98

PETCOCK

211-50-50

1/8 FIP X 1/8 FIP, Angle, Plated

- Dahl offers petcocks in straight or angle pattern, plated or rough brass finish, in any configuration of Female NPT or Male NPT in sizes from 1/8" to 1/2".
- And, of course, colored handles or Loose Key operation are always available on any **mini-ball™** Valve

\$19.72

ISOLATION VALVE

121-54-03

3/4 FIP x 5/8 OD Fem Flare, Straight, Brass

- A mechanical contractor needs this for a specialty application
- We can ship a sample for review today... and have a new submittal sheet ready within the week

\$54.94

ADAPTER

120-64-J12

3/4 MIP x #12 JIC Male Flare, Straight, Brass

- This fitting is being supplied to a mechanical contractor on a large job in Toronto.
- Dahl was able to offer this and a number of other fittings to make the installations faster & easier

\$29.09
